**Date:** October 5, 2007

**From:** Jamie Woodlief

**To:** More at Four Program Contacts, More at Four Administrators, More at Four Fiscal Contacts

On October 4th the State Board of Education formally approved the appeal process to allow specific counties to request additional funding support for More at Four expansion slots when it can be demonstrated that there is a lack of available resources to provide for a local contribution to support those slots.

Specific details about eligible counties and the process for making an appeal to the Office of School Readiness will be disseminated to More at Four contractors on Monday, October 8th.

Thank you for all you do on behalf of the children of North Carolina.
